Consent for Email Communication

Email and text messaging allows Orlando Diabetes and Endocrine Specialists, P.A. to exchange information efficiently for the benefit of our patients. At the same time, we recognize that email messaging is not a completely secure means of communication because these messages can be addressed to the wrong person or accessed improperly while in storage or during transmission.

If you would like us to send you email that contains your health information, please complete and sign this Consent below.

PLEASE PRINT CLEARLY. IF WE CAN NOT READ THIS WE CAN NOT EMAIL TO YOU.
